

**Work Party.** An extensive programme of works were undertaken during the summer months on our Temple by a very enthusiastic Work Party. A complete refurbishment of the Valley Gutter between the Main Hall and the Lounge roofs was completed. In the past this gutter has led to problems with water ingress in the main foyer and corridor areas, this refurbishment will complete the wind and watertight programme on the roof which started last year. After last years refurbishment of the Gents toilet our attentions turned to a complete renovation of the Ladies toilet. A superb effort by all concerned under the leadership of Scott Moore as Clerk of Works has completely transformed this area of our building. The Lodge furniture was also cleaned and repaired and the usual hard work by our Lodge gardeners can be seen by everyone.

Also during this time we will have eight Brethren from St. Peter's Lodge in Birmingham with us. They will also attend our Regular meeting, Grand Lodge and our Installation.

**Death.**

*Bro. Andrew Hare, M.M.*

The Lodge had been kept informed of Bro. Andrew`s health by P.M. Bro. Ronnie McCarney, his Brother in law, and at the last few meetings before the recess he had told members of the frailty and failing health of one of our oldest members at the age of 91. Nevertheless, we were sad when we learned of his death early in June and the sympathy of the R.W.M. and the Brethren of the Lodge was extended to his son Bro. Robert Hare and to all his family. Andrew joined the Lodge in 1976, the year of the Lodge Centenary, and he took to the traditions and history of our Honourable Society. He was a regular attender for many years and he endeared himself to the members by his quiet and friendly manner.
