CALUM'S CABIN

PROUDLY SUPPORTING FAMILIES AFFECTED BY CHILDHOOD CANCER SINCE 2007

Provincial Grand Masters Charity

Provincial Grand Masters Nominated Charity 2026/27

Provincial Grand Master Norman Carnegy has selected Calum's Cabin as his Nominated Charity for the first year of his Commission. Calum's Cabin provides holidays to families affected by childhood cancer across the UK. They have four beautiful properties on the Isle of Bute, one at Dumfries House, One in Anstruther (near St Andrews) and one in Aviemore. They also support over 50 families per year in their 12 "home from home" Glasgow flats. These are for Families who relocate to Glasgow, from all over the UK and Ireland, when their child requires intensive treatment or clinical trials. But, it's not just about the holiday homes and flats. They provide travel tickets, welcome gifts, vouchers and spending money for families staying, deliver over 600 Christmas presents in December, supply over 600 Easter Eggs and gifts to children's oncology wards in Scotland. They also provide 2400 Fairy Box items, small toys for children attending day care in Glasgow's Cancer ward (Schiehallion) per year, support Glasgow Children's hospital MIBG (Molecular radiotherapy) room with clothing and toys for the patients, deliver monthly snacks (over 3000 per year), supply welfare vouchers to those who are in need supporting Glasgow, Aberdeen and Edinburgh Children's oncology wards Calum's cabin collectively transform lives and bring hope to those facing difficult journeys. Together, they and our organisation can continue to Make a Difference.

Brother Philip Rhodes from Virginia was given a Lodge St. Bryde 150th. Anniversary jewel to pass on to our 579 Member, Raymond Steele (right). Raymond, who is a very proud Affiliate Member was delighted to receive the jewel at Middletown, Virginia.

Collectors Item ! The November 2026 (Issue 265) may well become a collector's item! Reason? Well notice was received that Microsoft were pulling the plug on the Publisher software that *The Right Angle* has been using for years ! A quick change to another programme, just incase it disappeared in October as scheduled. Need to wait until the end of the month to see if Publisher can still be used !
